

The Next Six Day Challenge

Digging Deeper

Today we continue a five part series titled "Holy Self-Sinteredness, Romans 1-8" This morning we will look at Romans Chapter's 3 & 4. Since there is no way possible to do justice with these chapters with the limited amount of time allotted, we have a bible study that started on Wednesday, June 21st, from 11:30 a.m. to 1:00 p.m., which is a Brown Bag Lunch Bible Study (Bring Your Own Lunch & Drink), and is held at our Durham UMC location. The handout for **Session One & Two** is available here today, or online on our website, so be sure to grab one of the handouts, and please complete the questions prior to our first study next week. This will give you a solid foundation of our time together as we journey through this series. Each week will provide the handout for the following week. We will record this Bible Study and have it available for purchase by CD Set or MP3 Set in the weeks following the study for all those who are unable to attend. I will post the MP3 of the study each week on our App and Website as we go through the study, after that you can just purchase the CDs and/or MP3s for future study and ministry.

Memory Verse: Romans 1:17 (NIV)
17 "The righteous will live by faith."

Bringing it Home

God saved my soul in 1987, and He saved my mind in the years that followed, and it was by learning the truth from the Apostle Paul in Romans Chapters 1-8, that I was truly set free, especially in my mind, and with my feelings. I can only hope that you find the same freedom that so many have experienced from these chapters. You may not experience the freedom right out of the gate, but you will discover it, so study hard, and ask the Holy Spirit to reveal the truth of these scriptures to you, so you too can be free like you have never experienced, especially being freed from the cunning, baffling, and powerful agent of sin that still lives inside your body. I hope you come to know the Book of Romans better than any other book in the Bible, it truly is a life changing epistle.

Study & Reflection Questions

1. What advantage has the Jew?
2. What are the oracles of God?
3. Can you see the importance of knowing God's promises?
4. Are you beginning to understand the significance of the Book of Romans?
